

Fact Sheet

Company Overview

GFX International, Inc. is a full-service marketing-at-retail design and production firm with in-house manufacturing and logistics capabilities. GFX helps retailers & brand marketers meet sales objectives by designing & producing impactful visual solutions—from creative concept to installation, large-format prints and permanent POP displays to dynamic digital signage and program management to logistics services. We are a leader in our category, combining years of industry experience with unique value-added services, state-of-the-art manufacturing and an award-winning team.
